MOJO SURF

AUSTRALIA'S #1 SURF TRAVEL GROUP

20 YEARS RUNNING

MOJO STORY

20 YEARS RUNNING

TWO AUSSIE MATES Nat and Dan were born and bred surfing on Australia's East Coast. They met in the surf and shared the same dream to give up their day jobs and enjoy a life of fun, surfing, adventure, travel and meeting new people.

Nat and Dan started Mojosurf in '98 with a strong belief that everybody should experience surfing, the lifestyle and the culture in a fun and safe way. This Philosophy and our awesome team has seen Mojosurf grow into one of the worlds greatest surf tuition, travel and adventure groups.

The Mojosurf team now operates surf schools, guided surf adventures and surf camps in awesome surf locations like Australia's East Coast between Sydney and Byron Bay; Raglan in New Zealand; and Bali and beyond.

We invite you to come live the dream with Mojosurf, we'll induct you into the surfing lifestyle and culture, and welcome you into the Mojo family.

MOJO SURF

PERCY'S STORY

WHY DID YOU BOOK THE ACADEMY?

I thought about teaching and surfing at the same time because I'm a teacher at home and I had surfed before in Portugal for a couple of weeks - I liked both a lot. So, I made a plan, saved some money, searched on the internet and came to MOJOSURF. It was exactly what I meant to find. I booked it because this was one of my dreams and I think it's the best place to do it.

WHAT DO YOU THINK ABOUT THE ACADEMY?

I was really surprised by the quality of the coaches and their way of coaching. It's very varied in all points of theory, practical and fitness. It's full with accommodation and food. The academy is like a big family you make friends with people from all over the world, there are many people I'll never forget.

WHAT WAS THE BEST EXPERIENCE?

I enjoyed a lot of things. The surfing, coaching... I'm now a qualified guide and instructor!

THE ACADEMY IS LIKE A BIG FAMILY

"You make friends with people from all over the world. I was really surprised by the quality of the coaches and their way of coaching. It's very varied in all points of theory, practical and fitness. Now I'm a qualified guide and instructor!"
