MOJOSURF ACADEMY

PERCY'S STORY

WHY DID YOU BOOK THE ACADEMY?

I thought about teaching and surfing at the same time because I'm a teacher at home and I had surfed before in Portugal. I liked both a lot. So, I made a plan, saved some money, searched on the internet and came to MOJOSURF. It was exactly what I meant to find. I booked it because this was one of my dreams and I think it's the best place to do it.

WHAT DO YOU THINK ABOUT THE ACADEMY?

I was really surprised by the quality of the coaches and their way of coaching. It's very varied in all points of theory, practical and fitness. And they have accommodation and food. The academy is like a big family you make friends with people from all over the world, there are many people I'll never forget.

WHAT WAS THE BEST EXPERIENCE?

I enjoyed a lot of things. The surfing, coaching... I'm now a qualified guide and instructor!
